Family Activities on Monday, January 15:

In partnership with Art Sanctuary, the historic site invites children ages 7-12 and their families to create art in response to themes found in the letter, and read stories about Dr. King's life and legacy. Family activities are available on Monday, January 15, free and open to the public. No reservations required. Art Sanctuary is dedicated to bringing Philadelphians together through the unique community-building power of black art.

Community Electronics Recycling on Monday, January 15:

In partnership with PAR-Recycle Works, the historic site encourages the public to recycle old electronics from 10:00 a.m. to 2:00 p.m. on Monday, January 15. The following items are accepted: laptops, desktops, tablets, printers, scanners, fax machines, cell phones, flat-screen TVs, flat-screen monitors, keyboards, iPods, MP3 players, Fitbits, VCRs, DVD players, cords, game systems, remotes, and other small electronics. All computer drives will be wiped clean. CRT TVs, CRT monitors, and projection screens are not accepted. The electronics recycling station is located near the penitentiary's entrance on Fairmont Avenue so that all community members, including those not interested in visiting the penitentiary, can easily recycle their items.

PAR-Recycle Works is a nonprofit that provides transitional employment to people returning to the community from prison through an environmentally responsible electronics recycling service. Serving municipalities, townships, universities, businesses, faith-based organizations and other major institutions, PAR-Recycle Works takes apart computers and other electronics and recycles them into valuable components that are sold to generate revenue to pay employees. By providing employees with skills and opportunities, PAR-Recycle Works helps to build safer communities and contribute to stronger families while saving taxpayer money.
